Experience

IDI (Department of Computer Science), NTNU

Trondheim, Norway

TEACHING ASSISTANT, TDT4109 INTRODUCTORY COMPUTER SCIENCE

Aug. 2021 - Dec. 2021

- As a teaching assistant I am responsible for providing guidance to a large group of students. This is comprised of grading assignments, and one on one conversations.
- The most important experience I've gained is how to effectively communicate technical concepts.

IDI (Department of Computer Science), NTNU

Trondheim, Norway

TEACHING ASSISTANT, TDT4100 OBJECT-ORIENTED PROGRAMMING

Aug. 2021 - Current

- As a teaching assistant I am responsible for providing guidance to a large group of students. This is comprised of grading assignments, and one on one conversations.
- The most important experience I've gained is how to guide others to their own answers, rather than just providing them with what I think is correct.

Water distribution, Bergen Vann

Bergen, Norway

OPERATIONS PLANNER

Jun. 2021 - Jul. 2021

- Planning of opening and closing of valves, as well as calculations of water pressure, speed, and throughput, for the cleaning of public water distribution pipes.
